GOOD LESSONS. WORTH SHARING.

Introduce new learners to Echoa. Get a personal referral link, free access to the paid lesson catalogue and a private dashboard to track your earnings.

PAID MONTHS 1-3

50% of eligible revenue

PAID MONTHS 4-6

25% of eligible revenue

€87.75 per referral after six full €39 monthly payments: €19.50 a month for three months, then €9.75 a month for three. Tax and refunds reduce earnings.

WHEN YOU GET PAID

1 PAYMENT COLLECTED

Commission is recorded when the learner pays.

2 30-DAY HOLD

Each payment becomes eligible after its own 30-day hold.

3 BY THE 10TH MONTHLY

Echoa reviews and releases eligible positive balances.

A payment collected on 10 January becomes eligible on 9 February and can join the February run by the 10th, if payout setup is complete. Stripe then pays your bank on its payout schedule; bank arrival is separate from Echoa's release.

YOUR LINK. YOUR REFERRALS.

New learners must sign up within 60 days of their first valid referral click. Attribution stays with their account if they subscribe later. The six-month window starts with the first paid subscription period; cancelling and rejoining does not reset it. No commission after month six. Existing accounts and self-referrals do not qualify.

THE EARNINGS DETAILS

Commission excludes tax, refunds and unpaid invoices. Disputed earnings are held; refunds after payout reduce future earnings. No minimum payout threshold in the pilot. Incomplete Stripe onboarding carries your balance forward. Echoa covers normal processing and payout fees; currency conversion can affect bank receipt.
